**The following amendments have been tabled:**

**Amendment 1 – Paul Davies (Preseli Pembrokeshire)**

Add as new point at end of motion:

Notes the need to end Wales's housing crisis and regrets that the Welsh Government's affordable housing target has no connection to the number in housing need.

**Amendment 2 – Aled Roberts (North Wales)**

Add as new point at end of motion:

Notes the research of Professor Holmans which states that "if future need and demand for housing in Wales is to be met, there needs to be a return to rates of house building not seen for almost 20 years, and an increase in the rate of growth of affordable housing."
