- 2. Notes that a number of developers have not built roads on new estates to adoptable standards.
- 3. Recognises that there are weaknesses in the house-buying process, which does not always ensure that buyers have sufficient financial retentions in place to bring these roads up to the local authority's adoptable standard.

- 5. Notes that many of these roads remain unadopted and in a bad state of repair, for a number of years, sometimes in perpetuity.
- 6. Calls on the Welsh Government to establish a taskforce, to include local authorities, the legal profession, developers and other key stakeholders, with a view to developing improvements to the house buying and road adoption process.
