Restrictions) (No. 2) (Wales)
(Amendment) (No. 5) Regulations
2020**

EXPLANATORY NOTE

(This note is not part of the Regulations)

Part 2A of the Public Health (Control of Disease) Act 1984 enables the Welsh Ministers, by regulations, to make provision for the purpose of preventing, protecting against, controlling or providing a public health response to the incidence or spread of infection or contamination in Wales.

These Regulations are made in response to the serious and imminent threat to public health which is posed by the incidence and spread of severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2) in Wales.

These Regulations amend the Health Protection (Coronavirus Restrictions) (No. 2) (Wales) Regulations 2020 (the “principal Regulations”). The amendments—

- (a) specify that collecting contact information from people for the purpose of informing those who may have been exposed to coronavirus is a “reasonable measure” that may need to be taken, depending on the circumstances, under regulation 12 of the principal Regulations;
- (b) clarifying that the maximum penalty for breach of the requirement to close premises

after a premises closure notice has been issued, under paragraph 3(1) of Schedule 5 to the principal Regulations, is a fine (and not imprisonment).

The Welsh Ministers' Code of Practice on the carrying out of Regulatory Impact Assessments was considered in relation to these Regulations. As a result, a regulatory impact assessment has not been prepared as to the likely cost and benefit of complying with these Regulations.

Regulations made by the Welsh Ministers, laid before Senedd Cymru under section 45R of the Public Health (Control of Disease) Act 1984 (c. 22), for approval by resolution of Senedd Cymru within twenty-eight days beginning with the day on which the instrument is made, subject to extension for periods of dissolution or recess for more than four days.

Laid *before* *Senedd*

Coming into force *17 August 2020*

The Welsh Ministers make the following Regulations in exercise of the powers conferred by sections 45C(1) and (3)(c), 45F(2) and 45P of the Public Health (Control of Disease) Act 1984(1).

These Regulations are made in response to the serious and imminent threat to public health which is posed by the incidence and spread of severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2) in Wales.

The Welsh Ministers consider that the amendments made by these Regulations are proportionate to what they seek to achieve, which is a public health response to that threat.

In accordance with section 45R of that Act the Welsh Ministers are of the opinion that, by reason of urgency, it is necessary to make this instrument without a draft

(1) 1984 c. 22. Sections 45C, 45F and 45P were inserted by section 129 of the Health and Social Care Act 2008 (c. 14). The functions under these sections are conferred on “the appropriate Minister”. Under section 45T(6) of the 1984 Act the appropriate Minister, as respects Wales, is the Welsh Ministers.
