

P-05-1096 Remove RSE from the mandatory element of the Curriculum Bill 2020

This petition was submitted by Kimberley Isherwood having collected a total of 5,307 signatures.

Text of Petition:

Relationships and Sexuality Education (RSE) is part of a Global Roll out of Sexuality Education which is not appropriate for this country. It sexualises children, fails to safeguard, read's like models of offending, has barriers to disclosure, and the local authority departments involved lack adequate training to spot the signs of Child Sexual Abuse, Exploitation, Harmful Sexual Behaviour, And much, more! In addition to that we have evidence those involved in the Welsh Curriculum lack knowledge of this global roll out.

Additional Information:

We are fighting the legislation not an education. No safeguarding measures in place. The research is wholly inadequate throughout. Here are some links to articles, websites and some suggested research topics which are about sexuality education:
