Dear Alun

Inquiry into public services boards

The Equality, Local Government and Communities Committee is undertaking an inquiry into public services boards.

During the first evidence session on 7 June, witnesses referred to Welsh Government representation on the public services boards. I would be grateful if you could provide details of the roles of each Welsh Government representative, and the public services board they attend.

I should be grateful if you would respond by **5 July** in time to inform the next stage of our inquiry.

Yours sincerely

John Griffiths AM
Chair
