Dear Mark

Petition P-04-572 Grants for Flood Resilience.

The Petitions Committee has considered the following petition:

We call on the National Assembly for Wales to urge the Welsh Government to approve grants for properties that have recently flooded to fund work to make them more resilient to future flooding.

At our meeting on 12 July, we agreed to close the petition but in doing so ask the Climate Change, Environment and Rural Affairs Committee to note the issues raised by the petition in considering your forward work programme.

The full history of the Petitions Committee's consideration of the petition can be found at:

<http://www.senedd.assembly.wales/mgIssueHistoryHome.aspx?Id=10529>

This includes correspondence from the petitioner, the Minister for Natural Resources, Natural Resources Wales and the Association of British Insurers.
