9 February 2022

Dear Jack,

Thank you for your letter of 20 January 2022, where you asked what the best way forward would be to make the information regarding available funds to purchase defibrillators available to organisations and schools.

Unfortunately the application process for a defibrillator which was referred to in my response late last year has now closed.

As you will be aware the previous funding was facilitated through a partnership between the Welsh Ambulance NHS Trust and Save a Life Cymru, and also appeared on the Welsh Government's Save a Life Cymru pages. Additionally Welsh Ambulance Services NHS Trust have previously offered defibrillators to schools by contacting them directly.

Currently, we are considering the potential of a further round of funding; and would utilise a similar process. In addition, we would also consider promoting the drive through our regular school and colleges communication groups and platforms.

Yours sincerely,
