

## **P-06-1325 Lower the speed limit on the A5 through Glasfryn**

This petition was submitted by Gwennol Ellis, having collected 154 signatures online and 117 signatures on paper, making for a total of 271 signatures.

### **Text of Petition:**

We are calling for a speed limit of 30mph to be set on the A5 through the village of Glasfryn as a matter of urgency and before someone is killed.

Families live on the edge of this busy and dangerous road. Businesses are conducted very near to the road and farmers and contractors use the road daily to conduct their businesses.

Over the years, there have been a number of serious accidents including one fatality and several near misses. This is an urgent matter as it is only a matter of time before another serious incident occurs.
