

P-04-407 : Save Kennard Court Sheltered Accommodation for Older People

Petition wording: Sheltered Accommodation for older people. They have been forced to leave the building and find a new place to live with a bogus reason of asbestos. The residents of the Accommodation have had no **backing for them, and they're starting to give up.** We need to support and help them to remain in their home. Some have already been moved, and if **they don't move they have been threatened to be evicted.** Bron Afon are targeting older vulnerable people ageing from 70 and above. **It's not fair, we** need to put a stop to it. To think at their time in life they have to suffer the stress and worries of being rehoused. Please sign this petition.

Supporting information: Most of these residents have been living in Blaenafon for all of their lives as well as their past ancestors. They have contributed to Blaenafon and its community. **THEY NEED OUR SUPPORT.**
