Dear Mr Powell

Re: Statue of Henry VII

Thank you for your letter dated 3rd October 2013 relating to a petition which is being considered by the Welsh Government for the funding of a statue of Henry VII in Pembroke.

This matter was discussed by Council at a meeting held on Thursday 7th November 2013.

During the past year, Council have taken the initiative of appointing a committee to Regenerate and Enhance the historic town of Pembroke. This committee has grown and now consists of many members from organisations and groups throughout Pembroke. Both Pembroke Town Council and members of the Regeneration and Enhancement Committee would clearly support the Welsh Government funding of a statue of Henry VII in Pembroke.

Pembroke is a town of great historical importance with the 'crown' being the fabulous Castle. As you are no doubt aware Henry VII was born in the castle on 28 January 1457 and it is strongly felt that a statue commemorating him should be erected in Pembroke. Pembroke wholeheartedly support the petition which has been submitted.

If you require any further information then please do not hesitate to contact me.

Yours faithfully

Karen Didcote
Town Clerk
