Summary of Meeting:

Suzy Davies welcomed members in attendance.

Due to low numbers, SD discussed ideas and plans for the year ahead. These were:

1. Getting Wales Tourism Alliance, British Hospitality Association and similar group involved to give evidence
2. Making contact with heads of regional tourism groups/bodies for their input
3. AMs considering which areas or issues they would like to explore in the coming year and any individuals they would like to take part and give evidence

Craig Lawton suggested collaborating with the Cross Party Group on Small Shops at some point in future if they are looking at tourism issues.

SD agreed.

CL advised that have briefing update from Wales Tourism Alliance on their priorities going forward. Will circulate to members.

No other business.

SD confirmed will liaise with Wales Tourism Alliance regards next meeting and invite them and their members to attend.

SD closed meeting.
