

Elin Jones AM  
Llywydd  
National Assembly for Wales

11 January 2018

Dear Llywydd,

**Report on Lobbying**

The Standards of Conduct Committee has been considering lobbying in Wales. The Committee's report has been laid before the National Assembly and I enclose a copy for your information.

The report makes a number of recommendations to the Commission. I would therefore be grateful if you in your role as Chair of the Assembly Commission, could draw the report to the attention of other Members of the Commission, with a view to its recommendations being considered at a future meeting.

The Committee looks forward to receiving the Commission's response to its report.

Yours sincerely,

Jayne Bryant  
Chair
