## P-05-811 Stop Using Worker Certification On Welsh Government Projects

This petition was submitted by Paul Fear having collected 66 signatures.

## Text of Petition

We call on the National Assembly Of Wales to urge the Welsh Government to stop using and promoting worker certification on Welsh Government contracts.

Worker certification is a privatised occupational licensing scheme.

- 1) It is undemocratic and circumvents the principles of our common laws. (Grandfather rights)
- 2) It puts the cost of training & qualifications onto workers, especially self employed and agency employment workers who have little chance of grants or funding.
- 3) It reduces the chances of upward mobility for the poorest in society.
- 4) It prevents worker mobility, at a time when we need a flexible workforce.
- 5) It allows corporate interests to have control over the entire workforce of our economic sectors, increasing costs of small businesses & sub contractors.
- 6) It promotes rent seeking, meaning that consumers pay more for products & services.
- 7) It reduces productivity.
- 8) It is prolific and will spread to all economic sectors.
- 9) It can create conflicts of interest.
- 10)There is no evidence that worker certification improves quality or standard of workmanship.
- 11) Experience, skill and knowledge reduce health and safety risks, these can be achieved and proven without qualifications.
- 12) It increases the cost of public projects.
- 13) If an industry needs qualification requirements then our democratically elected government should create legislation.
