P-05-867 Make the 'Cofiwch Dryweryn' Mural a designated Welsh landmark

This petition was submitted by Joe Williams having collected 1,016 signatures online.

**Text of Petition**
It's ridiculous that such an important landmark in 20th Century Welsh History is the subject of vandalism, while a recent Banksy work is being protected.

It's time that this landmark be granted official protected site status within Wales.
