c) Wales is ranked bottom of the UK nations in reading, maths and science;

d) Wales is the only UK nation to score below the OECD average in all PISA measures.

3. Calls upon the Welsh Government to:

a) acknowledge its failure to improve education in Wales;

b) apologise to pupils, parents and schools for letting them down;

c) guarantee that additional resources arising from increased spending on schools by the UK Government will be invested on schools in Wales.

**The following amendments have been tabled:**

**Amendment 1 – [Rebecca Evans \(Gower\)](#)**

Delete all after point 1 and replace with:

Notes that Wales is the only UK nation to improve in each domain.

Welcomes:

a) Wales's best ever scores in reading and maths, and improvement in science;

b) a reduction in the gap between our most disadvantaged learners and their peers;
