Dear Janet,

Thank you for your letter of 11 February regarding Petition P-05-908 against the proposed Mor Hafren Energy Recovery Facility, Wentloog, which is a prospective Developments of National Significance (“DNS”) planning application. Such planning applications are made directly to the Welsh Ministers.

As Minister with responsibility for planning, my remit includes making decisions on all DNS planning applications. I therefore politely decline your offer for my views on the proposal as to do so may prejudice any future decision I make in relation to it were a DNS planning application before me.

Yours sincerely,

Julie James AC/AM
