Dear Llywydd,

**The Health Protection (Coronavirus, International Travel) (Wales) (Amendment) (No. 20) Regulations 2020**

In accordance with section 11A(4) of the Statutory Instruments Act 1946 I am notifying you that this Statutory Instrument will come into force less than 21 days after it has been laid. The Explanatory Memorandum that accompanies the Regulations is attached for your information.

The Regulations made today further amend the Health Protection (Coronavirus, International Travel) (Wales) Regulations 2020 to add Bonaire, Sint Eustatius and Saba, the Commonwealth of the Northern Mariana Islands, Israel, the City of Jerusalem, the Republic of Namibia, the Republic of Rwanda, Sri Lanka, Uruguay and the Virgin Islands of the United States to the list of exempt countries and territories. The Regulations make these changes due to the identified changes in risk to public health posed by arrivals from these countries.

The Regulations also make minor amendments to the sectoral exemptions within the main Regulations.

Not adhering to the 21 day convention allows these Regulations to come into force at the earliest opportunity, and in view of the changing evidence on risk in relation to this disease this is considered necessary and justifiable in this case.

Due to the immediacy of the Regulations they have not been subject to consultation.
