Dear Nick,

I am writing to thank the Public Accounts Committee for leading the inquiry into the barriers to the implementation of the Well-being of Future Generations (Wales) Act 2015, and how it can be implemented successfully in future.

The report, *Delivering for Future Generations – the story so far* mirrors the cross-cutting nature of the legislation and I want to congratulate the Committee in the way they engaged with public bodies and young people to inform their work. I also want to recognise the underlying ethos the Committee took in looking at how to make the legislation work better for the people of Wales, our planet and for future generations.

The recommendations and conclusions in the report will need careful consideration, and it will be for the next Government to consider the full response. Our aim is to provide a full response by the Autumn 2021.

Yours sincerely,

A handwritten signature in black ink that reads "Jane".
