Dear Mike

Thank you for your letter of 13 August regarding the request for written information to inform your scrutiny of the Welsh Government's Draft Budget 2020-21.

On 9 August, the UK Government confirmed it would conduct a 'fast-tracked' one-year spending round to be completed in September, with a multi-year Spending Review to be carried out in 2020. On 15 August the Minister for Finance and Trefnydd issued a Written Statement in response. This confirmed some uncertainty remains about what a fast-tracked spending round in September means in terms of the UK Government's plans for the Autumn Budget, and that she will provide a further update on the implications for Wales once further details are available.

Once there is further clarity, I look forward to formalising dates for my oral evidence session at a mutually convenient time. In the meantime, I am grateful for the committee's continued understanding on this issue, and welcome the advance notice of the written information you require to inform budget scrutiny.

Yours sincerely
