

Kirsty Williams AM  
Cabinet Secretary for Education

13 February 2018

Dear Kirsty

At the Committee meeting on 7<sup>th</sup> February the Committee noted correspondence between yourself and a group of supply teachers from Fair Deal for Supply Teachers (dated 30 January) which had been forwarded to the Committee for its views.

The correspondence requests an update on the progress made since the group's meeting with you in October, regarding pay and conditions for supply teachers. Before we can respond formally on this matter, the Committee would very much welcome an update on this issues raised in the correspondence.

I look forward to your response regarding this matter.

Yours sincerely,

**Lynne Neagle AC / AM**  
**Cadeirydd / Chair**
