

Lord Teverson  
Chair  
EU Energy and Environment Committee  
House of Lords

15 May 2018

Dear Lord Teverson,

**Meeting with the Climate Change, Environment and Rural Affairs Committee**

I wanted to thank you and the members of your Committee for meeting us on 2 May. We very much appreciated the opportunity to discuss the scrutiny of legislation arising from the decision to leave the EU with you.

I am particularly grateful that so many of your members found the time to speak to us during what was clearly a busy day for them.

It was useful to be able to discuss the capacity and timetabling issues which have arisen, we hope to continue this productive dialogue in future.

I look forward to working with you again.

Yours sincerely,

**Mike Hedges AM**  
**Chair of Climate Change, Rural Affairs and Environment Committee**
