Dear Paul

The Work of Audit Wales

Congratulations on your appointment as Chair of the Economy, Trade and Rural Affairs Committee. I wish you every success in your new role and at the start of a challenging five-year period for public services in Wales.

My remit as Auditor General for Wales means that I am the statutory external auditor of most of the Welsh public sector and responsible for the audit of most of the public money spent in Wales. In September, I am planning to publish a series of 'Picture of Public Services' outputs. These will provide our take on the key financial and wider challenges facing public services over the coming years and will set out some of the key areas of public service delivery where I will be expecting public services to demonstrate progress. I hope that the outputs from this work will be of interest to all Members of the Senedd and that they will provide a useful point of reference for their future work.

I am expecting that the work of Audit Wales will continue to play a key role supporting the work of the new Public Accounts and Public Administration Committee (PAPAC), with PAPAC remaining our primary audience. However, I am also keen that Audit Wales uses its unique perspective and expertise to support the work of other Senedd committees where we have relevant audit intelligence to bring to bear. We would

therefore welcome the opportunity to be included on any wider consultations that your Committee runs. I am also anticipating that there will continue to be occasions where committees other than PAPAC might take the lead in scrutinising issues raised by my reports, where these are relevant and timely in the context of their own scrutiny work.

We have just recently published our latest [Annual Report and Accounts](#), which tells the story of our work during 2020-21 and links to some of our major outputs. Our Annual Report also summarises work in progress or planned to start later this year and we will be sharing further details with committee clerking teams over the summer. For example, we are considering some work to report on issues relating to the Welsh Government's support for business during the COVID-19 pandemic. This may draw on some of our data matching work under the National Fraud Initiative. We are also maintaining a watching brief on post-Brexit developments, following on from our work looking at preparedness in the previous Senedd.

If you or your Committee members would like to find out more about the work of Audit Wales, then please do not hesitate to get in touch. If Members have specific concerns about the use of public money, then we are always open to receiving correspondence. Members can either contact me directly or they can do so via our Audit Wales address info@audit.wales. Further details about how we handle such correspondence are available on our website: [Raising a concern | Audit Wales](#).

I very much look forward to working with you over the next five years.

Best wishes,

ADRIAN CROMPTON

Auditor General for Wales
