

## **P-04-547 Ban Polystyrene(EPS) Fast Food and Drinks Packaging**

### **Petition wording:**

The time has come to halt the sight of millions of polystyrene food and drinks cartons littering the beaches and countryside of Wales.

Polystyrene(EPS) is a major component of urban litter and marine debris. It is detrimental to wildlife that ingests it and costs millions for Welsh Councils to remove from our streets. Polystyrene takes hundreds of years to degrade.

Over 100 US (including New York),Canadian, and also European cities have banned polystyrene food packaging as a result of the negative impacts of the Environment. We hope that wales will have the vision to join that list.

Therefore, with so many alternatives to polystyrene(EPS) packaging now available which has significantly less impact on the environment and human health and also to save Welsh taxpayers millions of pounds in street cleansing costs we, the undersigned, request that the Welsh Government introduces a ban on all polystyrene fast food and drink packaging.
