

## **P-05-718 NHS Wales Pay**

This petition was submitted by Chris Neilsen, having collected 24 signatures.

### **Text of the Petition**

How can it be right that NHS workers in Wales some earning as low as £7.80 per hour doing much needed jobs when the welsh government is funding such non jobs as Future's Commissioner on 100k per annum and a Welsh Language Commissioner on 90k and many such newly created non jobs. These new layers of silly non jobs should be abolished and the money given to low paid NHS staff.
