Dear Simon,

Thank you for the Finance Committee's report on the Additional Learning Needs and Education Tribunal (Wales) Bill. I am grateful to the Committee for the time it has taken in producing the report.

The Committee's recommendations will now require careful deliberation and discussion. Once I have considered the report in detail, I will write again outlining my response to each recommendation.

The Committee is aware of the ongoing work regarding the regulatory impact assessment for the Bill, which is the subject of a number of the Committee's recommendations. I wrote to all Assembly Members on this topic yesterday and also confirmed my intention not to move the financial resolution motion until the autumn. I will continue to keep the Committee updated on progress.

Yours sincerely
