

## **P-05-780 Reopen Carno Station**

This petition was submitted by Carno Station Action Group, having collected 877 signatures on paper.

### **Text of Petition**

We, the undersigned, welcome the development of a Business Case for the re-opening of Carno station, following Carno Station Action Group's petition to the Assembly 10 years ago. We note that the revised Business Case demonstrates a ratio of benefits to costs of 1.65 and that the stopping of most trains at Carno is compatible with the existing enhanced timetable. Carno is a relatively remote community on the longest stretch of railway without an intermediate station in the whole of Wales and a station here would open up dramatically improved, sustainable access to jobs and services. We therefore call on the National Assembly for Wales to urge the Welsh Government to reopen Carno station within a 5 year timescale.
