*Dear David,*

Thank you for your letter of 23 March regarding developing a programme for the Speed Limit Review.

The review will be looking at road safety issues at over 600 sites across Wales. Due to the scale of the review and supporting evidence to be gathered, this will take some time.

As such, there are no specific dates set for any one location to be looked at. However, all of the comments that we have received previously will be taken on board as part of this process when specific areas of the trunk road are reviewed. The results of the review will be made available online and any works arising from the wider review will be prioritised, as funding allows, for a programmed completion over the next three to four years.

As part of the review process site visits would be carried out and any identified improvements would be shared with the community for comment prior to implementation.

Any further comments can be forwarded to [Correspondence.Ken.Skates@gov.wales](mailto:Correspondence.Ken.Skates@gov.wales).

*Yours ever,  
Ken*
