Vaughan Gething AM
Cabinet Secretary for Health and Social Services

3 July 2018

Dear Vaughan

I am writing following the meeting of the Health, Social Care and Sport Committee on 27 June 2018, in which you gave evidence in relation to the Committee's inquiry into suicide prevention.

During this evidence session, you stated that a National Advisory Group (NAG) on Suicide and Self-Harm, which as outlined in your written submission, brings together stakeholders from the third sector, Welsh Government, the police, NHS, Public Health Wales and experts in suicide prevention was due to meet on 28 June 2018. To further inform the Committee's inquiry in advance of any report, I would be grateful if you were able to provide an update following this meeting. We would particularly welcome information in relation to the possible introduction of a suicide/self-harm training framework, and development of an all-Wales postvention pathway.

I look forward to hearing from you.

Yours sincerely

Dr Dai Lloyd AM
Chair, Health, Social Care and Sport Committee
