Commentary

These Regulations are proposed to be made by the UK Government pursuant to section 8 (1) of the European Union (Withdrawal) Act 2018.

These Regulations amend subordinate legislation relating to organic products (the Organic Products Regulations 2009), addressing failures of domestic legislation and other deficiencies arising from the withdrawal of the United Kingdom from the European Union.

Legal Advisers agree with the statement laid by the Welsh Government dated 23 November 2018 regarding the effect of these Regulations. The above summary and the content of the Explanatory Memorandum to these Regulations confirm their effect and the extent to which these Regulations would enact new policy in devolved areas.

Legal Advisers do not consider that any significant issues arise under paragraph 8 of the Memorandum on the European Union (Withdrawal)

Bill and the Establishment of Common Frameworks in relation to these Regulations.

Legal Advisers have not identified any legal reason to seek a consent motion under Standing Order 30A.10 in relation to these Regulations.
