Annwyl Lywydd,

Speakers' Conference

Thank you for your letter of 13 March 2019, which we considered at our meeting on 18 March 2019.

We believe the report commissioned from Sir Paul Silk sets out issues that Speakers could consider further at an appropriate time. Once a collective Speakers' view emerges about if and how a Speakers' conference could be progressed, we suggest that would be an appropriate time to formally raise the issue with the Interparliamentary Forum.

We will continue to promote our recommendation at future forum meetings as we consider the implications of Brexit for UK governance.

In the meantime, I would be happy to meet to discuss this issue further if that would be helpful.

Yours sincerely,

Mick Antoniw
