Dear Mr Anderson

### **Scrutiny of Accounts 2017–18**

Thank you for your response to the recommendations directed at National Museum Wales in the Committee's Report, which was considered in the Committee meeting on 13 May. The Committee was pleased to note that all the recommendations have been accepted.

The Committee noted that updates on progress will be submitted to me when relevant, which I look forward to receiving. I would also ask that, in the interests of transparency, consideration is given to including information about performance in NMW's annual accounts in future, rather than being published separately.

Yours sincerely,

**Nick Ramsay AM**  
Chair
