

Elin Jones AM

Y Llywydd and Chair of the Business Committee

4 October 2019

Dear Elin

National Health Service (Indemnities) (Wales) Bill

Thank you for your letter of 27 September notifying me of the Business Committee's decision, in principle, to refer the National Health Service (Indemnities) (Wales) Bill to the Health, Social Care and Sport Committee for Stage 1 and 2 scrutiny.

At its meeting today, the Committee discussed the draft timetable for consideration of the Bill and noted the Trefnydd's proposal for a curtailed scrutiny process. The Committee is disappointed that the timetable limits the opportunity for engagement with stakeholders and has implications for our forward work programme, requiring us to reschedule programmed Committee business. We have, however, agreed to meet the deadlines proposed for Stages 1 and 2 on this occasion.

Yours sincerely

Dr Dai Lloyd AM

Chair, Health, Social Care and Sport Committee
