P-05-894 Fairer business rates for Welsh businesses, Correspondence – Petitioner to Committee, 22.01.20

Please can you close the petition for now, we are happy with the High Streets Relief Scheme which has been introduced and has helped lots of businesses in Pontypridd, I shall have a word with my directors and gather feedback from our businesses to see if they still wish to pursue a new petition or have any ideas they wish us to act on.

Thank you to the Assembly for considering our petition and we will be in touch soon.
